Since the Executive Committee has not been able to complete it's agenda without two sessions the last two meetings and at least three of the agenda items, National Office, Dues Increase and Annual Conventions will require much discussion I have scheduled two sessions for both the executive committee and the board. Remember this is the only meeting to carry on all business for the year. The agenda for session two will be a continuation of the agenda for session one if the agenda items did not get completed in session one. If the agenda is completed in session one it will not be necessary to hold a session two. The agenda for the meetings will be out sixty days before the meeting. Anything that you wish to have on the agenda should be sent to Sheryl or myself as soon as possible.
