

Spring - 2013

Dear Club Officers,

Blessings of the season to you and all your club members! Once again I would like to touch base with all of you and personally invite you to the Regional Spring Meeting on April 27, 2013 in Lima, Ohio, at The Gardeners of Lima, Faurot Park/Club House. Doors will open at 10 a.m. with a light breakfast snack and a time for gathering before the meeting begins promptly at 10:30. Directions are on our website at www.cglr.org. We have a lot of issues to discuss and everyone's input is very important to our regional affairs. Be sure you have your regional dues paid up to date, our regional treasure tells me almost everyone does. If anyone has a plant, flower, or something new they have come across, please bring it with you. This can even be a picture, idea or something you have heard or read about. Would you please all think about how your club raises money, what kind of projects have you tried or heard about that produced favorable results? We will discuss this at the meeting. It is my sincere hope that you share this letter with all your club members. I am really looking forward to our meeting and hope we have a full house. Welcoming and greeting many new faces would make my day and, of course, seeing old friends is always a time of joy.

Cheri Kessen
Regional President
